

Ipswich Football Club Uniform and Dress Code

Purpose

The purpose of this policy is to ensure that all members of Ipswich Football Club including players, coaches, staff, and volunteers, adhere to a consistent and professional dress code. This policy promotes team unity, enhances the club's image, and ensures comfort and practicality during all club activities, including training sessions, matches, and events.

Scope

This policy applies to all players, coaches, staff, volunteers, and officials of Ipswich Football Club at all club-related activities, including training sessions, matches (home and away), club events, and functions.

General Dress Code Principles

- All members must wear club-approved attire for training, matches, and official events.
- Attire must be clean, neat, and in good condition at all times.
- Club apparel must be worn in a way that reflects a positive image of the club, promoting professionalism and team spirit.
- The use of non-club branded apparel is discouraged during official club activities unless otherwise specified.
- Wearing comfortable attire before a match allows players to focus fully on their mental and physical preparation. Restrictive or uncomfortable clothing can cause distractions, limiting concentration and readiness.

Sponsorship and Branding

All apparel must adhere to the club's sponsorship agreements and display sponsors' logos as required.

Members must not alter, modify, or cover any part of the uniform that displays the club's logo or sponsor branding.

Compliance and Enforcement

All members are expected to comply with this Uniform and Dress Code Policy at all times.

Non-compliance may result in disciplinary action, including warnings, fines, or exclusion from activities or events.

Team managers and coaches are responsible for ensuring that all players and staff comply with the dress code.
